Re: Trademark Serial No. 75333482 ("Real Call") (application filed
by Robert J. Tuttle on July 31, 1997) - Request to Add Record to TDR

Dear U.S. Patent and Trademark Office Representative:

The Trademark Document Retrieval (TDR) website includes several,
but not all, documents for Serial No. 75333482 ("Real Call"). I
respectfully request that the application and specimens, filed on July
31, 1997, be added to TDR. The applicant was Robert J. Tuttle.

If time and resources permit, it would also be helpful if a
"Communication received from applicant," docketed June 18, 1998, could
be added.

I understand from your website that it may take up to a week to
add the document to the TDR website. If this request will take much
longer, please let me know, so that I can seek funds to purchase a hard
copy.

Please do not hesitate to contact me at 202-616-8242 with any
questions or concerns. Thank you very much for your assistance.

Sincerely yours,

/s/
