Amendment and Response to Office Action

This Amendment and Response responds to the Official Action mailed by the Patent and Trademark Office on July 26, 2006, in connection with this application.

Amendment

Applicant also requests that the Examining Attorney amend the application to include the following claim of ownership:

Applicant is the owner of U.S. Registration Nos. 0647763, 3117782 and others.

Response

The Examiner has required that the applicant amend the application to disclaim the term VAC, WET/DRY UTILITY VAC. Applicant respectfully requests that the Examiner delete the wording VAC, WET/DRY UTILITY VAC from the mark.

The Examiner has required that a new drawing showing the entire mark clearly be submitted. Applicant respectfully submits herewith a fresh drawing page showing the mark as it is used on the goods. Applicant further submits that color is not claimed in this application.
